INCIDENT NUMBER

On October 19, 2021 at 0718 hours I responded to [REDACTED] in reference to a battery domestic violence call. Prior to my arrival I observed the screen comments stated the other party involved in the incident left in a black Hyundai car. Deputies were able to make contact with the black Hyundai on [REDACTED] several homes down from the incident location.

I made contact with [REDACTED] who advised [REDACTED] Brandon Case (arrestee), engaged in a verbal argument with her [REDACTED]. According to [REDACTED] Brandon Case grabbed [REDACTED] by her neck and pushed her into a dresser. During this [REDACTED] Melonie Case (witness), attempt to separate the two of them. While trying to get Brandon Case off of [REDACTED] Brandon turned around, grabbed her by her neck and got on top of her on the bed. She kicked him off of her. She didn't want Brandon to grab her, but when he grabbed her neck she could still breathe and he didn't inhibit it.

I made contact with [REDACTED] who advised she was lying in bed when [REDACTED] came in to wake her up. She asked [REDACTED] to keep the boys out of her room at night on school nights. Twenty minutes later [REDACTED] came back in and Brandon was in the doorway. She tried to walk out of the door, past Brandon and brushed into him with her arm. Brandon grabbed her by the neck, shoved her into a wall, and grabbed her hair. She hit him to get him off of her. She didn't want him to grab her and when he grabbed her around the neck she could breathe.

I made contact with Melonie Case who advised that [REDACTED] told her to tell the boys not to go into their room. Brandon went into the room and said they were all lying about something. All three of them began to argue. [REDACTED] jumped up and pushed past Brandon and he grabbed her around the neck. She didn't know what hand he used to grab [REDACTED]. She didn't see Brandon push [REDACTED] into anything and didn't see Brandon touch [REDACTED].

I made contact with Brandon Case who advised his mom was getting the girls ready, he went into the room, and they all began to argue [REDACTED] pushed him first to get by him and pushed him with her shoulder and hand. He grabbed her by the hair, she turned around, and he grabbed her around the jaw. [REDACTED] hit him and he grabbed [REDACTED] around her face. [REDACTED] fell back on the bed and started kicking her. He stated he was being an idiot, was mad, and shouldn't have done it.

I observed that [REDACTED] had a small scratch on the left side of her neck. I did not observe any visible physical injuries to [REDACTED]. Brandon Case had scratches on his right arm to which he advised were from [REDACTED] kicking him.

I determined that [REDACTED] and Brandon Case [REDACTED] and have for [REDACTED] and Brandon Case is their cousin. Both [REDACTED] declined the use of EMS (Emergency Medical Services) and did not need a domestic violence shelter. I contacted CIC (Crime Information Center) and spoke with Operator Stoner (#8218). I advised Operator Stoner to verify if Brandon Case had any previous battery convictions to which she advised he did not.

Based on my investigation I determined that Brandon Case did actually and intentionally touch or strike [REDACTED] and both were against their will. Brandon Case was arrested and charged with Domestic Violence Battery Touch or Strike F.S.S. 784.03(1)(A)1. Brandon Case was transported to the Polk County Sheriff's Processing Center without incident.
